

A SAFR way to deal with floods in Middle Beach

- For emergency help from the SES call **132 500** • For life-threatening emergencies call **000**
- For health advice from HealthDirect call **1800 022 222**

SECURE

When no flood warnings are current:

- Secure your property: clean up, look around and identify things that can move.
- Prepare an evacuation kit for yourself, your family and your pets.
- Decide if you will stay or leave in a flood. If evacuating, plan where to go.

ALERT

When a flood warning is issued:

- Turn off power, water & gas.
- Raise valuable items off the floor.
- Have your evacuation kit ready.
- Listen to the radio and/or check the internet for updates.
- Consider leaving before the flood arrives.

FLOOD

When a flood is in progress:

- Tell neighbours and friends if you are staying or leaving.
- Don't drive through flood waters unless you are certain it is safe to do so.
- Observe depth markers.
- Listen to the radio and/or check the internet for updates.

RECOVERY

When flood waters have receded:

- Inspect your property for structural damage.
- Evaluate flood damage to your possessions.
- Do not use electrical items that are or have been wet.
- Be careful of snakes, spiders and other threats.
