DETAILED REPORT

Purpose

To provide Council Members with the nominations for the various *2021 Australia Day Awards*, in order to evaluate and determine the successful recipients.

Background/History

The *Australia Day Awards* are presented annually to local citizens/groups that have made outstanding contributions to the community. The *Awards* are provided by the *Australia Day Council of South Australia* and are administered by Local Government Authorities throughout the State. The successful nominees are notified by the Chief Executive Officer (or his delegate) and receive their *Awards* at Council's *Australia Day ceremony*.

Discussion

The *Australia Day Awards* are open to both individuals and groups that have:

- made a noteworthy contribution to the Adelaide Plains Council region on a voluntary basis; or
- have given an outstanding contribution exceeding their normal employment duties during the current year; and/or
- provided significant service to the local community over a number of years.

The *Awards* are open to all residents of the Adelaide Plains Council, although contributions made to our community by non-residents will also be considered. Persons or groups who were previously nominated, but were unsuccessful, may also renominate.

Nominations for the *2021 Australia Day Awards* opened on Thursday 1 October 2020 and closed on Friday 20 November 2020 (in line with the *Australia Day Council* guidelines). Due to the COVID-19 'lockdown', and the Council Offices and Two Wells Library being shut, late nomination forms were accepted up to close of business, Wednesday 25 November 2020. Nomination forms were available from the Mallala Principal Office, the Two Wells Service Centre and the Two Wells Library. The forms could also be downloaded from the Council website. Advertisements were placed in the *Plains Producer* and *Two Wells Echo*. Community service staff also emailed community groups with the nomination form attached. The *Library Facebook* page also promoted the *Australia Day Awards*. The *Australia Day Council's "Guidance and Criteria for Local Authorities"* states:

- *in choosing the recipients of the Awards, regard is given to the nominee's achievement in the year immediately prior to receiving the awards, as well as their past achievements and ongoing contribution to the community.*
- *an individual need only be nominated once to be considered. The number of nominations received per nominee bears no weight in the selection.*

This document also provides selection criteria for the *Awards*.

The selection criteria for *Citizen of the Year* and *Young Citizen of the Year* are:

- significant contribution to the community
- an inspirational role model for the Australian community
- the scope of impact the individual's contribution has on the local government area.

This criteria can also apply and extend to Council's category of *Community Group of the Year*.

The selection criteria for *Community Event of the Year* are:

- quality of the event
- scope of impact the event had on the local government area
- event's contribution to the community.

The above criteria can also apply and extend to Council's category of *Community Project of the Year*.

For the *2021 Australia Day Awards* Council received:

Citizen of the Year – two nominations

Awarded to the most outstanding Citizen for the Adelaide Plains Council region.

Young Citizen of the Year – one nomination

Awarded to the most outstanding Young Citizen for the Adelaide Plains Council region.

Community Event of the Year – one nomination

Awarded to the person or group who has staged the most outstanding community event during the past year in the Adelaide Plains Council region.

The Adelaide Plains Council offers two additional Awards, which received nominations as follows:

Adelaide Plains Council Award Categories

Community Group of the Year – three nominations – the Mallala Lions Club was nominated twice

Awarded to the group who have made a significant or beneficial contribution to the Adelaide Plains Council area and/or the community during the past year.

Community Project of the Year – two nominations

Awarded for projects held entirely or predominantly in the Adelaide Plains Council region in the past year and organised with the assistance of one or more community groups/members.

After Council Members have made their decisions regarding the successful Award winners, the Chief Executive Officer (or his delegate) will contact the successful candidates. After the CEO has informed all the Award winners, the Manager Library and Community/Community Development Officer will advise all nominators that their nominee was successful. Also, community services staff will inform nominators whose applications were unsuccessful and encourage them to consider resubmitting their application for the 2022 Australia Day Awards.

Conclusion

According to the *Australia Day Council* criteria, all nominations submitted to Council meet the eligibility criteria. A decision can therefore be made to determine the following Awards:

- *Citizen of the Year*
 - *Young Citizen of the Year*
 - *Community Event of the Year*
 - *Community Group of the Year*
 - *Community Project of the Year*

Citizen of the Year 2021 – Nomination – Mrs Pat Thompson

How has this person contributed to the community?

Patricia Doris Fisher was born in 1939 and lived in West Croydon. She attended Kilkenny Primary School and then Tech College, leaving after Year 10 to take up a dressmaking apprenticeship with Myers.

Married at 20 to Ian Hunter, she lived not far from where she grew up in Boomerang Road, Croydon Park. Pat and Ian then built a house in the new suburb of Marden and moved there with her three children in the mid 1960's.

After losing Ian to cancer in 1975 she later married Robert (Bob) Thompson. They moved to Crystal Brook in the early 1980's and after Bob retired, they built a house and moved to Dublin in 1994 where they quickly became involved in the local community.

In 1995 Pat joined the **Dublin Community Club** and was a member until 2001. During this time Pat initiated and convened four annual Garden EXPO's winning DCM Community Event of the Year Award in 1977.

She was also heavily involved with the Dublin St Patricks Day Celebrations held at the Dublin Oval which included tug of war, rolling pin toss and a men's foot race. This event won DCM Community Event of the Year in 1999 and was followed by the Dublin St Patricks Day Celebrations in 2000 with the event also including Irish dancing demonstrations and an Irish band on the back of a McArdle Truck, once again winning the 2000 Community Event of the Year award. Pat also organised other St Patricks Day events, with one where around 70 seniors were provided with a luncheon at the Dublin Institute.

Bob and Pat spent many hours in the Dublin Cemetery, researching and identifying unmarked graves and worked with Council to improve the cemetery and its grounds, installing new signs at the site. Pat continued this work after Bob passed away in 2004. In 2006 individual markers were placed on the 75 graves identified, showing burial details and these were replaced with permanent markers in 2013.

In 1997 together with three other women from Dublin, Pat was a founding member of the **Dublin History Group**, initially a sub-committee of the Dublin Community Club. Pat held the position of secretary from 1997 until the group became incorporated in 2000, then became President and continued in the role until 2014.

The Dublin History Group (DHG) was established to preserve the history of the district for future generations, including recording memories of some of the older members of the community while they were still able to pass on their knowledge.

During this time, together with the DHG, Pat spearheaded many projects such as:

- Collections of historical items from around the district (with many items donated by residents who have now passed away)
- Publication of local History Book – Dublin Yesterday and Today 1998
- Established a time capsule buried in the Lions Park in a joint celebration of the towns of Dublin 125th Birthday (2001)
- Publication of local History Book – Memories of Dublin 2001

- Research of local WW1 and WW2 soldiers
- Dublin War Memorial (2003) – as a member of the DHG Pat was a major force behind the erection of a War Memorial and Pioneer Path in the Dublin Lions Park, researching and developing a list of WW1 and WW2 Soldiers from the Hundred of Dublin region. A Memorial Rose garden was also established with Pat assisting to plant and care for the roses
- Dublin Residents reunion in 2005
- In 2006 she was part of the Dublin History Group project to sponsor a granite slab at the cemetery, documenting as many names as possible of residents known to be buried at the grounds, but whose plot numbers were never recorded.
- Collected, collated and recorded a huge photographic compilation and continues to photograph and record local events, activities and buildings
- Conducted research and collected family histories, and helped people with local history
- Successfully advocated for the lease of the Dublin Institute for use as the base of the Dublin History Group in 2012. The institute is now the site of the Dublin History Group research centre
- Publication of local History Book – Memories of School 2011. The launch of the Memories of School book winning the 2012 DCM Community Event of the Year
- 'Remembering the old school days' display in the Dublin Institute
- Restoration of WW1 Veterans photographic collection in the Dublin Institute
- 'Action on the Home Front – Fighting Forces Comfort Display' 2014
- Celebrations of the Dublin Institutes 125th Birthday where several functions were held over four weeks to commemorate the milestone
- Saluting our WW1 Soldiers 2014 – a Remembrance Service and tree planting was held in honour of fallen soldiers from the local area at the Dublin Institute where members of each soldier's family were invited to plant a tree in their memory. Along with other dedicated members of the DHG, Pat would take her turn watering the trees and gardens planted at the institute to ensure their survival in the first few years after planting
- SA History Festival – where the DHG participate each year
- Church Cairns – erected at both Dublin Churches in 2008, and to celebrate 10 years of the Dublin History Group, a time capsule was buried at the former Dublin Methodist Church (now a private residence). This followed the discovery of a time capsule at the site in 2006
- School Cairns – researched, located and erected at all schools located within the Hundred of Dublin
- 100 Years of ANZAC 2015 - where a Remembrance Day Garden was planted to mark the centenary of the Gallipoli campaign and the landing of the allied forces on Gallipoli Peninsula
- Schlodder Shelter – Pat was instrumental in the replacement of the shelter at the old Dublin CFS site, formerly owned by the Schlodder family. She successfully applied for grant funding through the Bendigo Bank and then partnered with Council to apply for additional funding from the State Government and who also contributed to the project. She sought contributions and organised handmade (and fired) tiles for the shelter with

the assistance of Jacqui Barr and Sid Fielder. The tiles depict the shelters origins and includes tiles decorated by the local community. The project won Council's Community Project of the Year in 2016

Pat has made and served many morning and afternoon teas at Dublin History Group event, often preparing delicious home-made delights.

Pat is the main driver of the recently formed **Dublin Community Projects Group**, who have successfully fundraised for:

- Purchase and installation of new seating and restoration of the old Gate at the Dublin Cemetery
- Purchase and install new blinds in the Windsor Institute to protect and preserve old photographs of local soldiers and a wall mural – this project won Community Group of the Year 2019

Most recently Pat led a small group to research and produce a plaque to outline the history of the former Shannon Methodist Church and cemetery. A very well attended ceremony was held in September 2019.

Please list any other significant contributions and/or achievements:

Pat established the bi-monthly 'Dublin Dispatch' local newsletter in 2004, compiling, editing and publishing until 2015. Over this time, sponsorship and advertisements added around \$20,000 to the History Group funds. Pat kept going with the 'Dispatch' as it was the only locally produced newsletter with local information that is available not only to the whole area, but residents both past and present look forward to receiving it six times a year. The newsletter continues to be published by the Dublin History Group.

Pat has successfully applied for over \$30,000 in grant funding through the District Council of Mallala –Community Partnerships Fund for the following projects:

- Dublin Cemetery Signs
- Plans for a reading room at the Dublin Institute
- Curtains for the Dublin Institute
- Computer, website, projection equipment, laminator and printer for DHG
- Upgrades to the supper room including a pie warmer
- Cairns at the former school sites in the Hundred of Dublin
- Memories of School Days book
- Marking unmarked graves
- Document Preservation
- Display cabinets
- Restoration of the minute books of the Wild Horse Plains Fighting Forces Comfort Fund
- Trees, guards and plaques for the Dublin Institute

Pats tireless fundraising efforts for the Dublin History Group and now the Dublin Community Projects Group include:

- Establishing plants and seedlings for sale – in particular she gets tomatoes in trays and pots them up in single pots
- Christmas lolly trees
- Annual raffles
- Craft items such as cushions, ironing board covers and aprons
- Monthly bingo nights for Dublin Senior Citizens
- Saturday afternoon BBQ's at the Dublin Institute
- Bi-annual 'Paddy's Markets' held at the Dublin Institute
- Strawberry Fete's at Dublin and later Pt Parham Sports and Social Club from 2000 to around 2011
- Homemade preserves, pickles, jams and chutneys – initially selling them at stalls and now in some local shops. Many times she finds bags of empty jars left at the door to help her contain her produce!

Pat has helped many other small community groups, raising money for the Dublin Cricket Club pie warmer, a new stove for the Thompson Beach Community Shed, and made outfits for the Parham Singers group and Childrens Choir.

Pat served on a number of District Council of Mallala S41 Committees:-

- Community Development Board from 2002 to 2009, and only resigned due to her inability to drive to meetings at night
- Dublin Institute Committee 2003 – 2010 serving as chairperson during this time
- Community Partnerships Committee – from 2004 – 2015 assisting to assess and determine successful funding applications

Pat is the one who takes the time to nominate organisations in Dublin from Projects and Events for the Australia Day Award honours. This is no small feat.

Pat's home is open to visitors wanting to find family history and readily welcomes people into her home, sharing her knowledge and a biscuit or two!

Pat has raised and lowered the Australian Flag at the Dublin War Memorial for events such as ANZAC Day and local funerals.

In 2011 Pat became friends with Sid Fielder, a fellow Dublin resident. He is now a special person in her life.

In 2015 Pat was presented with an award from the History Council of SA, after being nominated by MP, Nick Champion.

Pat is an avid photographer and is often found behind her trusty camera, capturing events in her never ending quest to preserve history.

Personal health problems, including severe arthritis, profound deafness and balance issues as a result of a cochlea implant have slowed but not stopped Pat's passion for Dublin and giving back to the community.

I believe Pat is a most worthy nominee to be considered for Citizen of the Year Awards. Please also find enclosed a letter of support from Father Bart O'Donovan.

TOWARDS THE NOMINATION OF PAT THOMPSON AS CITIZEN OF THE YEAR
2020 FOR ADELAIDE PLAINS COUNCIL AWARDS. (October 2020)

I came to the Adelaide Plains area about five years ago and was visited by Pat to bid me welcome. This is typical of Pat's sincere and deeply held concern for people and community organisations. We have become friends and I have been allowed to share with her in some of her many community and care-for-people projects.

Despite setbacks where her enthusiasm is misunderstood or even opposed, Pat has the courage to keep on and not give up, despite personal hurt, much to the benefit of the Dublin and surrounding community.

I meet with Pat in two main areas. I am an ordinary member of the Dublin History Group and as the parish priest in the Anglican parishes of Mallala and Two Wells of which Dublin is a part. In this role I have had the privilege to bless some of the projects on behalf of the Dublin History Group, among them being the memorial trees plantation and plaques of the enlisted men from the Hundred of Dublin who died in World War 1, planted around the Dublin Institute. This blessing I shared with Ministers of other churches who serve the Dublin area. I also blessed the plaques in the Dublin Institute grounds commemorating animals in war. Two projects that were full of Pat's unbounded enthusiasm and hard work.

I know that this nomination is not because Pat is retiring, for her enthusiasm and imagination is still active on future ways to bring meaning and satisfaction to the lives of people through participation in community projects as well as continuing to encourage others one by one in private and personal ways.

I close with part of a prayer once popular, that for me sums up Pat and her approach to life and living,

.... To give and not to count the cost,
To fight and not to heed the wounds,
To toil and not to seek for rest,
To labour and not to ask for any reward....

Reason for nomination - How has the person/organisation contributed to the community?

Jayne is the most inspirational woman I know. Her enthusiasm for our local community has encouraged many people to volunteer, not only in our community, but for South Australia & small business. Jayne puts in hundreds of hours promoting and personally volunteering and has done so for many years. I believe she sets a high example for the community and is very well regarded by all.

How has the nominee demonstrated active citizenship and enhancement of community life?

Jayne has dedicated a significant amount of her time promoting small businesses including the Mallala Hotel, Mallala Football Club, Mallala Tennis Club, Mallala Primary School (volunteer and is events) Mallala Coffee House & Op shop, Pop in for Xmas with Mallala Community Arts and the Rising Sun Hotel Auburn just to name a few. She works at the local Primary School and is a volunteer at the Mallala Coffee House and OP Shop. She has worked hand in hand with The Mallala & Districts Lions Club & Mallala RSL and has inspired members from both organisations to volunteer at the local school & other projects.

Along, with her friends Kathryn Bruggemann & Clare Whitwall, they held an online Auction for the Kangaroo Island Bushfires that they named "WITH LOVE FROM THE PLAINS". This undertaking must have taken hundreds of hours to organise and raised thousands of dollars for Kangaroo Island. Whilst doing this Jayne was still promoting Small Business including some for Kangaroo Island, including Kangaroo Island Fresh Garlic, Clifford's Honey Farm, Kangaroo Island Spirits and Kangaroo Island Emu Ridge Eucalyptus Oil.

Depression has been very evident in 2020 and small things like inspirational quotes that Jayne has posted on Facebook have certainly help a lot in these trying times & put a smile on a lot of faces. A few of my favourites include "Family is not about Blood It's about who's willing to hold your hand when you need it most" and "When you buy from a small business an Actual Person does a Happy Dance".

Jayne is a Pillar of Our Community. She is Driven and works tirelessly for Our Community. She selflessly helps others and that is why I wish to nominate her for an Australia Day Award.

COVID 19 has and is having a huge impact on our lives and our communities and small businesses in 2020. Jayne has certainly been one of the shining lights in these uncertain times. She is an inspiration to me as well as many others.

How has the nominee's contribution been recognised elsewhere?

I am not aware of any formal recognition elsewhere.

Reason for nomination – **Service to the Community**

How has the person/organisation contributed to the community?

Jack grew up in Two Wells, attending Two Wells Primary School and then Gawler & District College.

During his high school years, Jack went out of his way to help others and was consistently proactive in his engagement with the school and his local community.

He worked part time at Woolworths, volunteered with Two Wells CFS, studying full time Year 12 and was the head of the music department tech crew. In his work assisting his teacher, he set up all sound related events across the school (the music department provide sound equipment for all school events, not just music related). His duties included lifting, carrying, organising, setting up complex sound systems and cable work and basically was considered the 'right hand'. He was able to intelligently anticipate staff needs in relation to setting things up and clearly gave instructions to others with an excellent ability to delegate.

Jacks former High School Music teacher stated, 'I am always happy to recommend Jack for anything! He was a hardworking, diligent and helpful addition to Gawler and District College and we miss him!!'

Jack has been an integral part of the Two Wells Country Fire Service since he joined as a cadet in 2013. Jack is now a firefighter and has attended over 200 emergencies including major fires in the 2019-2020 fire season, fires which devastated many parts of the state and was a testing time for all volunteer firefighters. Jack is well liked within the ranks and has helped with IT projects around the fire station including the installation of the projector and sound system used for training purposes. Jacks dedication to the service is a great example of young people willing to help out the local community and we wish we had more like him.

Please list any other significant contributions and/or achievements:

Jack was the recipient of the 2019 Australian Defence Force Year 12 Long Tan award at our awards ceremony for community engagement. The ADF recognise students who demonstrate leadership and teamwork within both the school and the broader local community, at the same time recognising those who display strong values such as doing one's best, respect for others and 'mateship', characteristics that are integral to Australian society.

To whom it may concern

I wish to nominate Two Wells Community Garden Official Opening as the Adelaide Plains Council "Community Event" for the year.

Regards

[REDACTED]

The Two Wells Community Garden Official Opening was a very successful event attracting approximately 200 visitors to the area. Apart from locals from the immediate area, people travelled from diverse locations such as Adelaide, Elizabeth and Gawler. Adelaide Plains Council Mayor, Mark Wasley, was invited to perform the Grand Opening and 'cut the ribbon'. During his remarks he described the Garden as 'the best kept secret in Two Wells'

An interesting range of market stalls on the day gave local artisans a chance to showcase and sell their work. Free tutorials interspersed throughout the day gave those attending an opportunity to participate and learn rock painting, how to set up a wicking bed, do macramé and how to make a kokedama ball. The local Scouts provided delicious hot soup and a sausage sizzle to feed the hungry and the Uniting Church supported the day by giving away free "proper" coffees from an Espresso Van. A raffle available on the day raised \$190. The main prize was a Cooper's gift basket valued in excess of \$50 and kindly donated by one of the Garden volunteers. The Red Cross was also invited to participate and held a very successful Trading Table

Through the tireless efforts of volunteers, this formerly disused, neglected area has been transformed into a relaxing haven where people can sit and enjoy a quiet time, to read, eat or simply commune with nature. This garden also has the potential to foster community spirit, encourage social connection with others and provide opportunities to be actively involved as a volunteer and contribute towards its on-going growth. The Garden has added an extra dimension for visitors to the Craft Shop which was recently shown by having a bus company bring tourists into the town every week day during October. Following a browse in the shop, the groups were able to sit and relax in the garden before resuming their tour.

As well as being an attractive space, this Garden also grows produce in the numerous wicking beds, which in turn is shared with the community, through the Grow Cart at the Craft Shop.

The Garden group are very grateful to have been the recipients of three Two Wells Community Fund grants funded by Hickinbotham and Adelaide Plains Council. This has enabled the addition of larger structures such as pergolas and

beautiful lockable steel, powder coated gates which now enhance the Heritage listed Courthouse building at the front of the Garden.

Following on from the success of the Official Community Garden Opening a Twilight Market is now planned in December to fill the void of the cancelled Christmas Street Parade. It is hoped that similar future events can also be held in this historic, colourful and very people friendly place.

How has the organisation contributed to the community?

Adelaide Plains Equestrian Club has turned an unutilised space into a much-admired equestrian facility over the past 12-18 months through the hard work of their dedicated committee. They have worked tirelessly to source grants and add matching funding. The group has fenced off native vegetation for protection, built the equestrian facility that consists of arenas, round yard, horse yards, a carpark and clubroom facility.

The specialised area is also a bushfire safe refuge point for equine, and with the addition of mains water in the future, it will be a valuable asset to the intensive agriculture location of Lewiston.

Please list any other significant contributions and/or achievements:

Adelaide Plains Equestrian Club hold monthly events, the most successful being the Slack Hack Event on the 27th Sept 2020 where they had a record number of entries – 50 horses and riders from the local area and afar! It was spectacular!

The dedicated committee of hard-working volunteers are committed to coordinating top class events for every level of rider and accommodate a variety of events so there is something for everyone. They are friendly, welcoming, and encouraging to all who come through their gate.

My personal experience was at the Slack Hack, where my daughter entered for the first time with the encouragement of committee members. The area is attractive and well laid out so that a large group of horses and riders can navigate from the carpark or yards to the arenas safely. Everything is accessible, neat and tidy. The horses and riders attending varied from experienced to new riders. The committee members were helpful and encouraging, often coming up to ask how my daughter went in an event or offering assistance. Always positive and congratulatory to all riders.

We left this impressive facility with a great feeling and look forward to their next event!

The Mallala and Districts Lions Club are an amazing group of people that continue to support our community and are always involved in our community.

Our community has always been tight, but 5 years ago when the Pinery Fire devastated our community and so many more, the members of the Lions Club stepped up and helped pull this community together, and support so many, in so many different ways.

Tragically, earlier this year when they lost 2 of their most loyal and hardworking members, Marg and Ron, they felt unbelievable grief, as our community also lost 2 friends. Through all this, they still banded together and continued to improve our community.

The Community Project that I am nominating the Lions Club for is the Mallala Campground. The Mallala and Districts Lions Club came together, with the help of some community members, to produce an amazing space for travellers to utilize.

It is such a fantastic, well thought out and executed space, that will draw people back, or they will share with other travellers to come and stay a night or two. This in turn, will bring business to our community and support many small businesses within our community.

The Campground was a project that has been many years in the making. Hundreds of hours have been spent planning, coming up with ideas and taking on board different suggestions. They were then able to source exactly the right materials to produce the best Campground for our community.

As a community member, I can't wait to be able to see how the Mallala Campground evolves over the years.

As the  at the Mallala Primary School, I'm also excited about how we will be able to get the students involved in the Campground.

We are looking at the students helping plant more trees and plants, but also working with the Lions Club and the Adelaide Plains Council to assist with recycling and sustainable practices for people visiting our community. We are already fortunate to have a number of the Mallala and Districts Lions Club members interact with our students when they come and volunteer at our school on a regular basis. It is all part of our goal as a school to strengthen the bond between the community and our school community.

The connections and the memories this creates for our students is so very important.

I truly feel the Mallala and Districts Lions Club would be the most worthy recipients of the 'Community Project' Australia Day Award for their 'Mallala Campground'.

2021 Australia Day Nominations for Community Project of the Year

Dublin Cricket Club Incorporated

How the club has contributed to the community

The club has been raising funding over the last decade to provide a new facility, in respect to replacing the outdated premises situated at the oval. With help from Adelaide Plains Council, we were able to receive funding this year through the Drought Community Programme, where a 50/50 contribution was then required. A \$75,000.00 grant was awarded and a \$75,000.00 club contribution from previous community support. This provided an opportunity for the club to commence building a new community facility and continue to offer the district an appropriate point for all their sporting events, social networks and our local government initiatives programs.

Previous significant contributions and achievements

The club has been contributing to the local community since its establishment in 1985. Being a small single entity club within a country community district, we have always considered that the club needs to give as much as it receives.

These sorts of community values allowed the club to complete many long term strategic plans of rebuilding facilities that the community needed and recently help the club to receive the Runner-up Award at the South Australian Good Sports Club of The Year Awards in 2018.

It has been a place where children have been able to play community sport for free since their inception in 1993.

The club was able to raise support through varies programs with help from club sponsorships, lotteries, community fundraising and accessing small government grants over the past 20 years.

They provided the much needed costs involved in upgrades to the facilities at the oval; including resurfacing the oval, laying new popup irrigation systems, town water catchment, large dual water storage tanks, training nets and pitching, playing equipment and playing uniforms for every grade.
